As a West Seattle resident and (b) (6) graduate, I would like to express my support for the East Waterway Cleanup Plan. I stand with the Duwamish people in their ongoing efforts to restore their sacred land and waterways. I believe the East Waterway cleanup will be extremely impactful in reducing the pollution that is crippling the once-thriving aquatic ecosystem. The community surrounding the Duwamish River is united in our desire to restore the habitat to support increased biodiversity. I ask that the needs of our community and the precious wildlife be centered throughout this process.

Thank you,

(b) (6)
